DIABETES CARE PROGRAM

**SAME INSULIN,
LOWER COST
FREE
TESTING SUPPLIES**

We've partnered with a Utah-based manufacturer to provide type 1 and type 2 diabetics with **free** hospital-grade testing supplies, including:

- GLUCOSE METER
- TEST STRIPS
- LANCETS
- CONTROL SOLUTION
- LANCING DEVICE
- CARRYING CASE

How to Participate

Call **844-234-4472** and speak to a PHA to see if you qualify.

Treating and managing diabetes is expensive. On average, those with diabetes pay \$16,750 a year for care. **We want to help!**
