

THE SMARTER APPROACH TO HEALTH INSURANCE

Sick of the high costs of healthcare? So are we. So we partnered with DPS to fix it. MotivHealth has been successfully lowering the cost of healthcare for hundreds of companies since 2015, and we can lower the cost of healthcare for you, too. We recognize that high cost does not equate to high quality, and we are here to shout that from the rooftops—price transparency!

COMPANY FOCUS

Through unique savings tools such as robust prescription assistance programs and our provider search tool, we provide the solution to rising healthcare costs. With our help, you get to keep a large chunk of what you would spend on premiums in a traditional healthcare plan. Be our next success story.

The MotivHealth Mission

WE HEAR A LOT OF TALK ABOUT AFFORDABLE CARE AND HOW TO CHANGE THE ENTIRE HEALTHCARE MODEL. FORGET TALK, MOTIVHEALTH IS SIMPLY DOING IT. WE BELIEVE IN MOTIVATING AND EMPOWERING OUR MEMBERS. WE TRULY WANT TO HELP YOU GROW YOUR HEALTH SAVINGS.

LOWER COSTS

Knowledge is power. We combine the savings from an HSA-based approach with price transparency to lower your premiums.

SECURE FUTURE

HSAs provide financial flexibility. They offer tax advantages, promote savvy healthcare decision making, and encourage financial growth.

EMPOWERMENT

With a price transparency tool and **excellent customer support**, our members are empowered to become proactive consumers. That means costs stay down for everyone.

Member Programs

BEST CARE BEST PRICE

Ask yourself: Why don't you know the cost of healthcare procedures before you receive them? This is the fundamental flaw of healthcare. We allow members to get the best care at the best price. MotivHealth members have access to a one-of-a-kind cost comparison tool that allows them to take charge of their healthcare. **For the first time, you get to know the cost of care before receiving it.**

RX PROGRAMS

MotivHealth has a dedicated team that helps our members receive discounts on prescriptions. This is game changing for members with financially debilitating issues from diabetes to multiple sclerosis. **Call our pharmacy team at 385-247-1030 and save significantly!**
