

SMARTPAY

The cost of healthcare can vary depending on where you receive treatment. To ensure you optimize your healthcare dollars and get the right care at the best price, we created the SmartPay program. SmartPay rewards members who receive eligible treatment (MRI, CT, colonoscopy, or joint replacement) from in-network surgical or imaging centers, rather than a hospital.* Depending on the procedure, you could earn a \$100-\$3,000 incentive.

1

Contact MotivHealth prior to receiving care to confirm the eligibility of the procedure and network status of the provider.

2

Receive care from approved SmartPay facility.

3

Receive SmartPay incentive as either an HSA contribution or physical check within 4-6 weeks after claim has been received and processed.

*To explore additional SmartPay options, including medical tourism, please contact the MotivHealth SmartPay team.
