Please provide all medications for each enrolled member on the health plan, by clicking on the “Add a Drug” link listed next to each eligible member. If you or a dependent is spending more than \$200/month on prescriptions, we may be able to lower or eliminate your out-of-pocket costs.

Medical Questionnaire

By taking a few minutes to inform us of any current medical conditions you or you dependents have, MotivHealth may be able to provide you with options to help reduce your out-of-pocket costs while still receiving the medical care you need and deserve.
