How to Search for Providers

To help you earn, save and spend your healthcare dollars effectively, we encourage you to identify and use only high-value healthcare providers. To help you identify in-network providers, we've provided you this brief guide. If you have questions regarding the provider search tool or need assistance finding an in-network provider in your area, please contact a Personal Health Assistant by dialing [844-234-4472](tel:844-234-4472).

1. Go to MotivHealth.com

Click “Log In.” Enter your username and password.

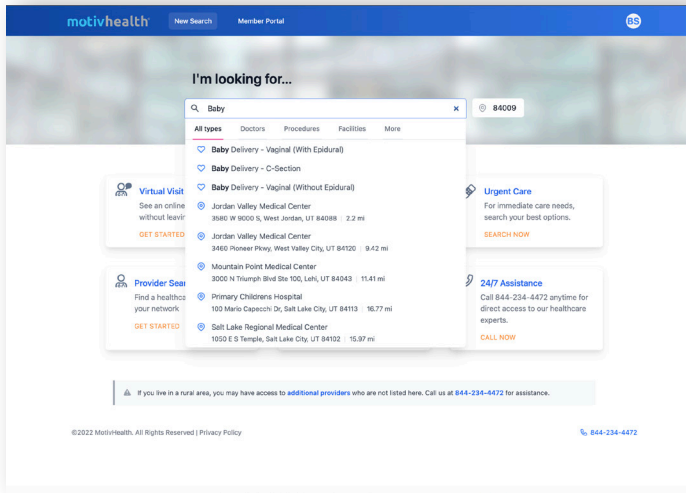

2. Click “Provider Search”

The screenshot displays the MotivHealth.com user dashboard. At the top, there is a navigation bar with tabs for Home, Insurance, HSA, Invest, and Save/Earn. A 'Provider Search' button is highlighted in orange. Below the navigation bar, the user's profile information is visible, including 'Member since 2023' and 'ID:'. A 'QUICK LINKS' section contains buttons for Provider Search, Telemedicine, Rx Assistance, MotivU, and ID Card. The dashboard is divided into several sections: 'INSURANCE' showing 'Deductible Met \$0' of \$3,200; 'HSA' showing 'Available HSA Balance \$2,726.04'; 'INCENTIVES' showing 'Mar Steps 20 of 20 days' (8K steps/day, Earn up to \$20/month); and 'Save/Earn Potential \$20'. Below these are three cards: 'Telemedicine Visits', 'Discounts on Your Prescriptions', and 'Estimate Your Medical Costs'. A quote from Benjamin Franklin is featured: 'An investment in knowledge pays the best interest.' Below this is a 'Steps Summary' section for the month of March, showing 'Earned YTD \$40' and a circular progress indicator for '0 Days with 8K Steps'. A 'Chat' button is located at the bottom right of the dashboard.
