THE SMARTER APPROACH TO HEALTH INSURANCE

*“We deliver a **member-centric** approach that ensures our clients receive the best care possible while managing costs.”*

– Tom Martel  
CEO of MotivHealth

**MEMBER BENEFITS GUIDE**  
Denver Public Schools

# The motivhealth<sup>®</sup> ADVANTAGE

Innovative health insurance  
built on savings and  
solutions that put  
**your well-being first.**

## SmartPay

MotivHealth partners with providers and facilities to offer discounted rates for planned medical procedures. Compare costs of different providers using our Search Tool to find the **best care at the best price.**

## Rx Assistance

If you or a covered dependent is taking a medication that costs more than \$200 per month, we may be able to help lower or eliminate your out-of-pocket costs. Just call (385) 247-1030.

LEARN MORE

## Telemedicine

Not only does telemedicine save you travel time, but it also saves you significantly on healthcare costs. Visit your member portal to view your telemedicine provider.

## Diabetic Program

Our Diabetic Care Program can help members lower or eliminate the cost of insulin and diabetic testing supplies. Contact us to learn more.

## Member Support

Our Personal Health Assistants are available 7 days per week to answer any questions and help you find care.
