- If services are a result of an accident or injury, complete the Accident/Injury section of the claim form and include a completed accident form with your claim. You can locate our accident form at **motivhealth.com/forms-documents**. If you need assistance completing this form, you can contact an agent in our Other Party Liability department at **844-234-4472**.

- If you have Medicare or other insurance coverage that is not already on file with MotivHealth Insurance Company, or if it has changed or terminated, please call us at 844-234-4472 to update your account to ensure your claim processes correctly and timely.

FILING INSTRUCTIONS:

- Complete a separate claim form for each covered family member.
- Enclose itemized receipts and make copies for your records. It is helpful for receipts to include:

  Patient's Name
  Date of Service (mm/dd/yyyy)
  Procedure Code(s)
  Diagnosis Code(s) – ICD Format (if available)
  Health care professional's Full Name, Credentials, Address, Phone Number and Tax ID Number and National Provider Identifier (NPI), Total charge for each service rendered

- If the patient has Medicare or other health insurance coverage, and that other insurance coverage is primary and MotivHealth is secondary, we need an Explanation of Benefits (EOB) for this service from the other insurance company when you send the completed form and itemized bill.

One claim form may be submitted for multiple dates of service provided they are for the same member and same provider.

Member-submitted claim forms need to be submitted within 365 days of the date services were rendered. We may request additional information for the procedure to be reviewed if the services and/or procedures require Prior Authorization.
