Authorization for Account Closure

To authorize MotivHealth to close your health savings account (HSA), complete this form. **A closure fee of up to \$25.00 may apply.** Please contact MotivHealth at 844.234.4472 to determine the exact fee. **In order to allow for all transactions to settle, your account will be frozen for a period of at least five (5) business days prior to its being closed.** Please note that if you choose to receive a check for any remaining funds mailed to you, allow approximately 2 weeks after the end of the freeze period to receive your check.

The funds you receive from an HSA must be deposited into another HSA or used for qualified medical expenses within 60 days after you receive them to avoid taxes and penalties. There are generally no exceptions to the 60-day rule and the IRS will not grant extensions. Receipt generally means the day you actually have the funds in hand.

Note: You must liquidate all investments before your HSA can be closed. MotivHealth does not automatically liquidate investments on your behalf.
